

Etableringslots/Establishing guide

Supporting people who are new in Swedish society

We specialize in helping you find your way in Swedish society and working life

Our mission is to support you when you are new in Sweden. Many of us have own backgrounds as immigrants and can easily relate to your needs and questions.

We are an authorized employment and service company with about 70 employees offering personnel- and consultant services to the following branches

Technology & Industry
Economics & Administration
Education & Care

We have a unique **network/nätverk** both in the private and public sector. In our "Rework Center" in Göteborg we also have our own production.

Autoprenad is in the middle of working life and therefore has excellent possibilities to quickly being able to offer you **work/arbete** or **work practice/praktik**, maybe through "Instegsjobb" or "Nystartsjobb".

If you want to start your **own business/eget företag** you can consult our co-workers who specialize in private entrepreneurship.

If you want to **study/studera** we will help you with validation and translation of grades and reports. Then, together we will find the appropriate way to go about your study applications.

The way we look at it anything can be done. If you have a goal we will help you reach it. We will be right beside you wherever you are – always ready when you need us!

*Most welcome to **Autoprenad** – ask for us at "Arbetsförmedlingen"!*
